My dear wife

I left Fort Delaware on the 25th inst -
with six hundred other officers for this place. we
were five days on the voyage & have been four days
here. we do not know why we were sent, but hear
that we are to be placed under the fire of our
batteries at Charleston. we will know very soon.
I can not but hope that it will result in an ex-
change for six hundred Federal Officers sent to
be confined in Charleston. you can imag-
ine what a time I have had confined on
ship board with 1000 other men.

They are waiting to take this
letter now. I am well. Tell Father
to make arrangements to send me some
money as soon as possible. I need it very
much. write soon. I will write
often. I have not one letter from home
since my capture from Suffolk of the
23rd Inst. W P Binney is at Ft Delaware
now. Lt M^cCreary died
